The most effective thing you can do to help Re-Legalize Marijuana, by the end of 2009, is to call Obama and your Representatives , ***once each week***, and tell them the following:

"I would like you to review a model for the Re-Legalization of Marijuana known as MERP. You will find plenty of information on the model at the following link:

www.newagecitizen.com/merp.htm

You should be aware that I will not vote for you, the next time you come up for re-election, unless the MERP Model is fully implemented throughout the United States. So if you are up for election this coming November you had better get moving immediately."

Here are the phone numbers:
