

Bring all of your friends to the

3rd Annual Million Marijuana March

Saturday May 4th, 2002
 1:00 PM - 6:30 PM
 Grand Circus Park
 Downtown Detroit

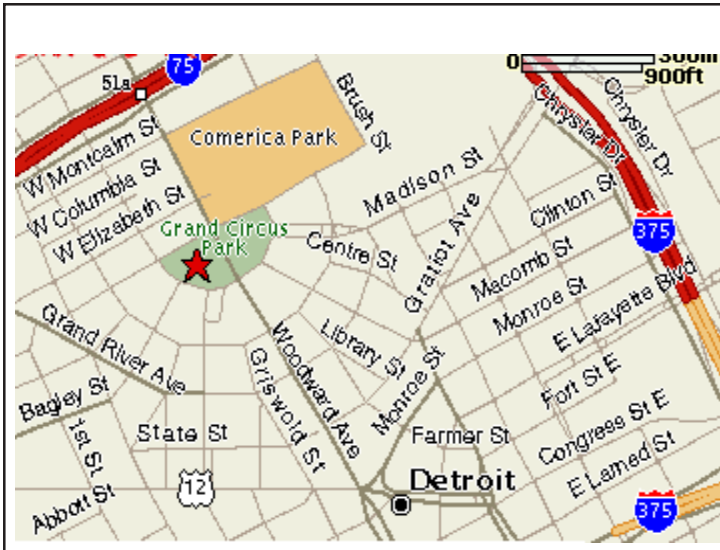

Join us to show your support for Ending the War on “Some” Drugs and enjoy a free afternoon of Music and Speakers from New Age Citizen, The Green Party, Michigan Marijuana Movement, Cures Not Wars and other social reform organizations. This is one of 166 worldwide events that will be taking place on this day to call for the immediate Re-Legalization of Marijuana for Adult cultivation and consumption. You are encouraged to bring homemade protest Signs (“Re-Legalize Marijuana Now!”) and a Halloween mask of a famous Marijuana user or advocates (such as George W. Bush, George Washington, Bill Clinton) in order to make a visual statement to the media.

Why is Mayor Kwame Kilpatrick trying to keep the Detroit Medical Marijuana Initiative off the August Ballot despite overwhelming voter support?
